

UNIVERSITY OF GOTHENBURG
SCHOOL OF BUSINESS, ECONOMICS AND LAW

THE YEAR OF GENERAL ELECTION: ON THE INDIAN ECONOMY AND BUSINESS IN INDIA

Prof. Ashok Thampy, PhD
Indian Institute of Management,
Bangalore

Indian Institute of Management ,
Bangalore, India

Ashok Thampy is Associate Professor in Finance at the Indian Institute of Management Bangalore (IIMB). His areas of interest are corporate finance, financial markets, banking, and regulation.

Prof. Thampy holds a Ph. D. from the Krannert Graduate School of Management, Purdue University, Indiana, USA

Prior to joining IIMB, Mr. Thampy was at the Department of Finance, Bilkent University, Turkey. He has been a visiting professor to the Department of Economics at Santa Clara University, USA in 2005, and is a visiting professor at the School of Business, Economics and Law at the University of Gothenburg, Sweden. At IIMB, he teaches corporate finance and banking in the Executive MBA and executive education programmes.

Many people claim that the Indian economy is at an inflection point. Some claim that the forthcoming general election is pivotal for India's future development. This is an excellent opportunity to gain relevant timely knowledge of the state of the Indian Economy and Business in India.

From the programme:

- Indian economy: recent development and outlook
- Indian financial institutions and markets
- Financing your business in India
- The general election and possible outcomes for the Indian economy
- Questions, answers and discussion
